Quality Certificates

Product Range

The entire range that we are manufacturing stays between the module 0,15 to 12,0 and the diameter from \varnothing 4,0 mm to \varnothing 1.200 mm.

Products

Spur Gear

Helical Gear

Bevel Gear

Internal Gear

H.Bevel Gear

Sprocket Gear

Rack Gear

Worm Gear

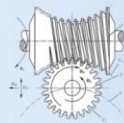

Triger Gear

Customized Products

Globoidal Gear

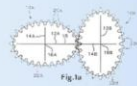

Antibacklash Gear

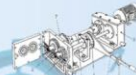

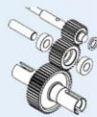

Cycloidal Gear

Elliptical Gear
